

mod·ern\ *adj*: free of impurities, without excessive ornamentation and over design. \characteristic of the present time.

The design strategy of DNA Gallery—**restraint**. “The key is to know when to stop designing.” Our clientele appreciates simplicity and refinement. As a authentic Scandinavian-based design center, DNA Gallery represents purity and honesty in all elements of design. In respect to the aesthetics, construction and function, DNA Gallery provides the ingredients to express one’s confidence in their own tastes— **minus the clutter**.
